

Truck and Transport Mechanic

Alternative Landscaping Ltd. is currently seeking a **Truck and Transport Mechanic** to join its dynamic growing team. The successful candidate will work to complete diagnostics, service, and repairs to truck and trailers, various types of small engine equipment and heavy equipment for all Alternative Departments.

Key Responsibilities:

- Adjust, overhaul, repair, and reassemble engines, transmissions, clutches, rear ends, differentials, brakes, drive shafts, axels, and other assemblies.
- Read and interpret owner, operator, and manufacturer operating manuals and service specifications to complete job tasks.
- Test, diagnose, and repair equipment including diesel powered automobiles, tractors, dump trucks, excavators, heavy trucks, and other heavy construction equipment.
- Independently perform quality diagnostics on transport trucks and trailers.
- Repair equipment in an efficient, safe cost-effective timely manner.
- Complete maintenance reports, work orders, and any other required paperwork.
- Communicate repair findings and maintenance timeline with operator, service, and Operations teams.
- Maintain a clean and safe work environment.
- Perform alternate duties as assigned.

Qualifications and Experience:

- Journeyperson Truck and Transport Mechanic.
- Minimum 3-5 years of experience in repair/maintenance of heavy equipment or related machinery
- Ability to detect and diagnose operating problems.
- Capable of operating required equipment and tools in a safe and responsible manner
- Ability to read and interpret operator and manufacturer specifications.
- Strong organizational and time management skills.
- Demonstrate strong mechanical aptitude and problem-solving skills.
- Ability to work independently with minimal direct supervision.
- Ability to walk, stand, crouch for long periods of time and carry out strenuous physical tasks.
- Collaborative team player.
- Basic computer skills are considered an asset.
- Hold a valid driver's license (class 1 an asset).
- Experience with maintenance welding is an asset.

This is a Full-Time Position offering a competitive salary and benefits package.
