The opportunity to make a difference is here! Our company thrives on idea sharing, continuous improvements, and collaboration. Are you a proactive leader looking to continue your career in manufacturing? This person will be responsible for the production operations at our La Salle facility and take a hands-on approach with the production team throughout day-to-day operations.

## Day in the Life:

- Schedule is Monday to Friday 6:00am start time - hours are seasonally impacted April - August
- 80% of this role requires working actively alongside team members in the production process
- 20% of this role will involve performing administrative duties such as payroll, inventory reporting, production planning, recruitment
- Actively demonstrate company culture and values in all aspects of leadership
- Effectively maintain inventory levels and operational efficiencies
- Understand, achieve, and sustain KPI's in production, quality, and Health & Safety

## Qualifications:

- 3+ years of experience in a Supervisory/leadership role
- Hands-on working in a production/manufacturing environment
- Experience leading a team of 15+ people
- Strong leadership, organizational, time management, verbal/written communication skills
- Proficiency in Microsoft Office including Excel, Word and Outlook
- Experience operating a forklift or heavy equipment
- Able to perform physical work, lifting and moving 20-40LBS propane tanks daily

## What's in it for you?

- A competitive starting salary
- Comprehensive benefits package: extended health, dental, vision, and life coverage
- Overtime/Banked Time
- Vacation Time – 2 weeks vacation at 4%
- Matching company RRSP plan at 3%
- Opportunity to travel

Founded in 2001, Tank Traders® started in rural La Salle, Manitoba, and has been growing rapidly ever since! After 20 years of growth, Tank Traders® has become Canada's largest provider of the National Barbecue Propane Tank Exchange Program and operates two key businesses out of the USA market.
