Mid-Canada Fasteners & Tools Ltd. is looking for qualified people to join our team in Brandon. We are looking for people who have a positive attitude, are reliable, are professional, and can show initiative, respect, integrity, and gratitude in their professional and daily life. Our business is service driven and succeeds through relationships between customers, coworkers, and suppliers. We all succeed if we work well together.

The business is fast paced, and it can get hectic, but the customers need to know that they can count on us to do the best we can for them.

Please send resumes along with two references to JJ Bauch at jj@midcanadafasteners.com if you think you have the qualities listed above and would like to join our team. We provide competitive wages and bonus opportunities and there is always room for advancement. We have a benefits program available as well as a pension plan for all employees.

Thank you for taking the time to consider joining our team. We are looking forward to hearing from you.
