Full time Permanent Position: Fire Extinguisher/Suppression Technician

BDR Services Ltd. is seeking a Fire Extinguisher/Suppression Technician to join our team at our Brandon Office.

BDR Services Ltd. specializes in the Supply, Installation, Maintenance, Testing and Repair of Automatic Sprinkler Fire Protection Systems, Fire Alarm Systems, Fire Extinguishers, and Kitchen Suppression Systems. Established in 1986, BDR Services Ltd. is a Manitoba based company with offices located in Brandon and Winnipeg. For the past 39 years, BDR has demonstrated a strong work ethic and commitment in performing high quality workmanship and providing excellent service to our customers.

The successful candidate will have a positive and professional attitude, be self-motivated and enjoy working in a team environment; with responsibilities to include but not limited to:

- Performing fire extinguisher and suppression system inspections
- Service and/or repair of fire extinguisher and suppression system
- Complete and submit inspection reports
- Other related tasks as assigned

Skills and Qualifications:

- NFPA 10 Certification and Kitchen Suppression System ITM Certification would be an asset but not required, training and courses will be provided if not available.
- Excellent customer service skills
- Ability to work independently and as part of a team
- Excellent written and verbal communication skills
- Must have a valid Class 5 driver's license

BDR provides a competitive salary, a performance-based discretionary bonus, and comprehensive Benefit Package. Continued Education is encouraged, and third-party training is provided for job related courses and workshops. Opportunities for advancement are available, contingent on individual performance and initiative.

Please forward your resume and cover letter to ashley@bdrsolutions.ca or drop off in person to 370 Park Avenue East, Brandon MB.

We thank all applicants for their interest, however only those selected for an interview will be contacted.
